

Guest Rider Policy

March 2024

POLICY

It is Kickin' Asphalt Bike Club policy that potential members may participate in a one time "Guest" ride prior to becoming a Club member.

SCOPE

This policy and guidelines applies to potential KABC members who wish to participate in a Club ride prior to committing to a membership level. Potential members may register for a regular scheduled KABC Saturday ride without becoming a member in advance. Potential members are allowed a one time only "Guest" ride.

GUIDELINES

Potential members will register for a Saturday ride in the same manner a club member would register by completing an online form. The online form is required for club records and for the guest to acknowledge that they have read and accept the ***Kickin' Asphalt Bicycle Club Release and Waiver Of Liability, Assumption Of Risk, and Indemnity Agreement ("AGREEMENT")*** and the ***KABC Safety and Ride Etiquette Guidelines***. A completed registration will notify the Ride Leader of the Guest participant for the upcoming Saturday ride and will also flag this as a one time only event. The registration information will be shared with the Membership Committee/Director for post ride follow up communications regarding membership.
